

BCAD Services

Residential and Commercial Estimating

Are you working with a contractor who needs to submit a bid on your project? BCAD Services offers residential and commercial estimating services. Expedited service is available. We can work from blueprints, electronic drawings (DWG/DXF format, TIFs or PDFs), hand-drawn plans and rough sketches. Electronic plans can be e-mailed to us or uploaded to our FTP site. For more on our rates e-mail us at info@BCADservices.com or call 706-797-3324.

Plan Entry and Rendering

We also do partial or full plan entry, wall panel drawings, detailed framing plans, roof plans with elevations, and photo-realistic rendering. We can work from blueprints, electronic drawings (DWG/DXF format, TIFs or PDFs), hand-drawn plans and rough sketches. Electronic plans can be e-mailed to us or uploaded to our FTP site. For more on our rates e-mail us at info@BCADservices.com or call 706-797-3324.

CAD Sales

BCAD Services is an authorized dealer for Sigma Design and Expert-InfoCAD. We offer sales for upgrades and new seats of: BuildersCAD; ARRIS; eZ (an Internet-based conferencing software); Panel Stacking Program for BuildersCAD; the Expert Translator for BuildersCAD and ARRIS, along with other add-ons. For pricing, or for more information about our products and services, please visit our Web site at www.BCADservices.com. BCAD Services gives free tech support with purchases of BuildersCAD, the BuildersCAD Intelli-Framer, or ARRIS.

Technical Support for BuildersCAD

When you need technical support, call **706-797-3324**, or e-mail support@BCADservices.com.

Your first support request is \$100* and buys 30-days of phone, e-mail, or remote desktop technical support. This service is renewable as needed. Six-month and 12-month support contracts are available at a discounted rate. Remote desktop support is available for high speed and dialup connections.

We strongly encourage you to e-mail support issues. This is the most efficient way to deal with support issues or problems, and allows us to track common problems. Most e-mail replies are issued within a few hours, however we will respond to all support requests within 24 hours.

Online Training for BuildersCAD and SketchUp

BCAD Services offers one-on-one Web-based training, and will happily develop a course of study to suit your needs. You can also choose from a list of existing courses designed for various levels of expertise. See suggested courses on our Web site at www.BCADservices.com. Training packages are also available, and are bundled with complimentary technical support.

For more information visit our Web site at: www.BCADservices.com
